## Warranty and warranty conditions

We guarantee the functionality of the NOAQ Boxwall for a period of 10 years, on the condition that it is used according to the user instructions, and stored according to the same instructions, dry and away from direct sunlight, within a temperature range of -30°C to +50°C. We also guarantee that the product is free from defects in workmanship for a period of 2 years from the date of delivery.
